

Christ Church Bells Corners Junior Youth Group Registration Form 2023–2024

This is a two-sided form. Please print clearly.

On designated Sundays throughout the year, children in grades 3 to 5 come together for fun and fellowship after the 10:00 am service! The group enjoys a hot lunch and participates in games, singing, and other activities designed to help them deepen their friendships and feel at home in their church.

To ensure the success of this program, please complete this registration for your child(ren) and indicate on which Sunday you would be able to volunteer to support our youth group leaders.
